**CAUSE NO. 42673**

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

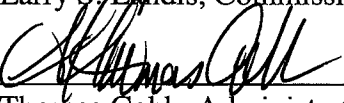

On June 17, 2004, Valley Rural Utility Company ("Valley Rural") filed its Petition for a Certificate of Territorial Authority to render rural sewage service in additional areas of Dearborn County, Indiana. Thereafter, on June 28, 2004, Valley Rural filed its Motion to Amend its Verified Petition, which Motion is granted by the Presiding Officers. On August 27, 2004, Greendale Municipal Water filed a Petition to Intervene in this Cause, and, on August 30, 2004, the Presiding Officer issued a docket entry granting the City of Greendale's Petition to Intervene. On August 31, 2004, Valley Rural filed an Objection to the Intervention and Motion to Reconsider the Granting of the Petition to Intervene. Greendale Municipal Water filed its Response to Valley Rural's Objection on September 3, 2004.

The Presiding Officers, having reviewed the Objection to Intervention and Response, and being sufficiently advised, find that the Objection should be denied, and Greendale Municipal Water's Petition to Intervene is granted. Greendale has satisfied the requirement of 170 IAC 1-1.1-11, and the issue as to a certain contract between Greendale and Valley Rural does not determine, for this Commission, Greendale's right to intervene.

Therefore, the Presiding Officers find that the Petition to Intervene by Greendale Municipal Water ought to be granted, and the Objection and Motion for Reconsideration of Valley Rural is denied.

IT IS SO ORDERED.

  
Larry S. Landis, Commissioner

  
Thomas Cobb, Administrative Law Judge
